Dear Saints of the most High God,

Special Christian greetings to you and your beloved families in the Name of our Lord and savior Jesus Christ who is soon to come. Continue being faithful to Him who called you and sent you for many be called but very few are chosen who are blessed like you. Continue the tremendous job you are doing by spreading, proclaiming the PRESENT TRUTH MESSAGE which is needed in these last days of the Earth's history and very soon you will be rewarded. I am here humbly requesting crying to you, so that you can help us Materials in our Missionary work. Your help will mean a lot to me and will bringing a lot of lost Souls who are hungry for the truth to Jesus Christ. I write to you because through Jesus Christ you are my only hope. I know your resources are too limited but nothing I can do without you. I am an Independent and Self-Supporting elder surviving on subsistence farming with my beloved family. I cannot afford to Order Bibles and Books even if used ones. We are in much need of Bibles and Books. Where I am living 90% are Roman Catholics and I am receiving several attacks from them as her members started joining my Home Church. We are meeting every Sabbath with my beloved family Relatives and other people families at my home Church. Please pray for me. Brethren let us be faithful and Jesus Christ will come soon. My beloved brethren, Three the Angels' Messages must be proclaimed followed by the Fourth Angel Message around the whole world and then Jesus will come soon. There is no time to waste, time is running out, no time to be resting at home. I need to reach many places especially in Remote Areas/Villages before I die, unfortunately I don't have support. You know my beloved friends in Christ, Satan has got many tricks to stop God's work. Many people become selfish and greedy, and spending a lot of funds to the things of these world, even some Christians. They are purchasing expensive Vehicles, buildings, farms, Planes and Houses while the work of God suffers, and Satan is sitting laughing enjoying with these people. Today many people who Support God's work 99% are not rich they are using their little Shekels (funds) to support God's work around the world. Please I need more information and support Materially from you, Brethren. Let us be faithful and Jesus will come soon.

With lots of Christian love.

Hello brother,

When I am able to accumulate school supplies and other goods you may be able to use, where would I send them? Also, could you send a list of practical items that would help you in your ministry? I know almost nothing about your part of the world, but I too am struggling to reach those for Jesus (I pronounce Yeshua) so he can come

quickly. Some people from Africa have been listening to our daily podcast, but it doesn't do any good unless they speak English. I have a digital resource of our Quarterly lessons in Arabic which I have been able to send to people in Tunisia that have been studying with my podcast. Would anything like this help, or could we take up an offering to help with subscriptions? I can't guarantee anything, but I would like to help if I can. I know America is seen as wealthy, but most people are spiritually impoverished and know nothing of God even though there is at least one church in every neighborhood and nearly every home has a Bible.

Please pray for my ministry as I continue to keep your ministry in prayer.

Every blessing to you by grace through faith,

My language is English, but I have people from other parts of Africa that speak Arabic and are currently Muslim, that is why I sent him a lesson study in Arabic. They are studying the Bible too. My father was Native American Indian, so I speak TsaLaGi also. My mother was a 1st generation immigrant from Slovakia but I don't speak very good Slovak. I will try to find a source for Bibles in Bemba because I know it is most important that people read the Bible for themselves and develop that close personal relationship with Jesus, the Word made flesh. I know the catholic church can be violent. They have attacked me also in the past. I do not have much money, but I will talk to my husband, set up a fundraising page, and send you what we can when we can.

Every blessing to you by grace through faith,

Dear Tamara,

Thank you so much for your email and tremendous explanation. I will wait and I am praying that God will Open many doors for your Sources so that the work of God start going smoothly here. My beloved friend in Christ Jesus, let us be faithful and Jesus will come soon. Blessings from the Most Holy Place above, the only place where sins are blotted out, when the times of refreshing shall come, from the presence of the Lord, let us remain there by faith, obeying the Three Angels' Messages. Love to God and His Holy Law must be supreme or we are lost. Let us "LOVE NOT THE WORLD" as Jesus taught, this takes much prayer and spiritual discernment I know, but I know that it can be achieved ,and will be, by that faithful FEW who are truly love the way of the LORD. Press on dear one, we shall soon see our Savior face to face.

Dear Tamara, thank you so much for start Supporting God's work here which is suffering terribly, because of lack of support. Our time of getting this message out is so short, No one knows how soon the Judgement of the Living will be past and we shall see the events so long foretold, and so long dreaded by the majority who do not know God! Then our work of striving to save SOULS will be finished and we shall have no more to say to those that rejected God's Message of mercy to this Sinful race. I am looking forward to receiving the support for LOCAL LANGUAGE BIBLES. Dear Tamara, I am praying that God's People will get serious about going home and individually sacrifice to get these silent preachers out as soon as possible so that there will be a rich harvest of Souls for the kingdom of heaven. Please pass warm Christian greetings to each one of you at your Ministry in the Name of our Lord and savior Jesus Christ.

Very soon we shall meet on that Great Day!

God bless you in your work.

I found this link: <https://www.bible.com/zu/bible/1097/JHN.1.ill15>
Other than that, Bemba Bibles are very expensive so I will have to save up and ask our listeners for donations to purchase them. Do you have a source for them that may be more affordable? If so, send me the link.

Hello my friend Chabby,

I did not mean to be silent, but I was traveling and unable to email you back. I am working with local Adventists who are willing to raise money to send you Bibles. I will be meeting with them on Sabbath and should be able to place an order for as many as we can send you by the beginning of next week. I am sorry I could not accomplish this sooner,

but it takes time, as you know, to raise money. Bless your heart and your work. Our first and foremost responsibility is to spread the WORD.

Every blessing to you by grace through faith,
